**Horse Trail Ride** – Our horse adventure starts at the DMR Horse Barn where our guide(s) meet your group and do a meet and greet with the horses as everyone gets paired up with a horse. Our horse Guides will lead you on a spectacular ride onto the trails of our 2,355 acre ranch with amazing views. Guests should be physically and emotionally able to ride a horse. Plan a total of 2 hours.

Rides can typically be scheduled for Fridays and Saturdays. First trail ride is at 8:00 am and the second trail ride is at 10:30 am (other days may be possible). There is a minimum of 3 riders up to 5 riders per trail ride. Tips for the guides are welcome.

**Corral Ride** – We offer a limited horse experience for younger guests who may be fearful of a trail ride or may not be physically able to ride the trail. Corral rides start at our horse barn. Our guides will introduce the horses to the kids, allow them to feed and groom the horses and then ride in the corral if desired. Our goal is to have kids enjoy the horses so they can look forward to trail rides when older. A Parent/Guardian is to be present with minors. Minimum of 3 younger guests and up to 12 at a time. Tips for the guides are welcome.  
Plan up to 1 hour.
